Computer Educator of the Year Nomination Form

The Computer Educator of the Year is the highest award given by the Association, and competition for the award is keen. Candidates show exceptional research and teaching skills, have made significant contributions to IS and IS education, and enjoy a national or international reputation for their outstanding work throughout the IS community. Recent recipients have included curriculum innovators, leaders in the field of artificial intelligence and IS management, and publishers of learning materials that have significantly impacted the IS educational community. Nominations for the Computer Educator of the Year are accepted from September until March, with selection made in June or July for awarding at the annual conference in the fall.

If you know someone who has made a significant contribution in the field, use this form to nominate him or her for the award.

Nominee Identifying Information
Name: ________________________________________________________________
Title: __________________________________________________________________
Street Address: __________________________________________________________
City, State, Zip: ___________________________________________________________
Phone:  ________________________________________________________________
Email:  ________________________________________________________________

Explain why you believe this nominee should be selected to receive the Computer Educator of the Year award.
